tials had not arrived, yet as his ejection purcuts are so often visited upon the innocent ofand it was ready to proceed to business. is them. ment of chaplains for both Houses, were rilla is a sure authlote in such cases.

House .- The House met at noon .-The galleries were crowded, and much

excitement existed. Honorrble Linn Boyd was elected Speaker, as already reported. The rules serious evils must inevitably follow, unless the of the last House were adopted, and a system beagain set sight by the timely use of procommittee of five was appointed to revise perremediez. them and report to the House. The Bear in mind, that nature is never endeavoring members were sworn in by the Speaker, to expel disease when it involve the animal ceoneand committees were appointed to in- my, and only needs the assistance of some genform the Senate of the organization and al rostorative-thorough, yet mild in its actionproceeded to elect a clerk and other blood-which is the principal of life. officers. Mr. Forncy was re-elected clerk, he received 121 votes; Richard M. young 27; E. O. Smith 10; B. B. Pringle 18 and E. Hutchison 13 .-The remaining officers, as nominated by the caucus, were also chosen. The members then proceeded to select soats, when the House adjourned.

ATIt is a singular fact that while the price of white paper, journeyman's wages, &c., are continually on the increase, the subscription price of papers, job work, &c , is continually decreasing.

[COMMUNICATED.] Resolutions of Respect. At a meeting of the students of Brook

ville College, C. C. Binkley was called to the Chair, and Miss B. Yocum was ap-As there is considerable enquiry on abee, in regard to free schools, receiv-pointed Secretary. The object of the this point, and as the company wish to ed by a prominent citizen, is given a meeting was briefly stated by the Chairman, when on motion of R. J. Goodwin a committee of three was appointed to 1. I do not think it practicable to draft resolutions expressive of our regard transfer persons from one township to for the memory of our deceased school-As most, if not all Rail Roads have to another before the school-houses in mate, M. Louisa Meeks, and our sympathy with the friends of the departed .-The committee consisted of Misses G. 2. It is not the duty of the trustees Holland, P. G. Clarkson, and L. V. Ty- of our last publication. If our young give it real credit. This can be in no of any township to build school-houses ner. The following report was present-
